

FSC Junior Rugby Twilight Round Robin Comp
Supported by Brumbies Community Rugby &
Coca Cola Southern NSW
Results as at Round 5

The 5th round of the Twilight Rugby competition was played in front of an appreciative crowd at Dalmeny Field last Friday night. As the competition draws to a close with the final night this Friday and the matchups for the top two teams in each age group is intriguing.

In u10's Broulee extended their lead with another win for 25 competition points and will play Braidwood who remain on 10 after a bye to play for the "bragging rights" in their age group.

In u12's Narooma leads the comp going into the final round on 19 points, followed by Braidwood on 12. Batemans Bay finished with a win and a draw but Braidwood benefitted from a number of byes because of the odd number of teams in the competition.

In u14's Bermi/Cobargo and Milton will play an interesting match after finishing this round with 17 points and 15 points respectively. A strong finishing Narooma team are rueing the loss of points due to the abandonment of their first match.

In u16's Narooma leads on 23 points, followed by Milton on 12. In u17's Broulee forfeited their lead to be overtaken by Narooma who will play Batemans Bay in the final round of the competition. In the Girls u18's Bermi/Cobargo extended their lead to 13 points to 5 with a good win over Batemans Bay.

The final round will offer some interesting contests and should provide a great spectacle to wrap up the 2008 Junior playing season. All matches next Friday night will be played at Mackay Park, Batemans Bay.
